O I About the Company

'It's hard to believe you're in Joburg'

About

us

Conveniently located in the Sandton suburb of Rivonia, Sand River Guest House has easy access to the major highways and is less than 2 minutes from Rivonia Road.

If you like the sound of birds, wind in the trees, and green lawns with a river running by, yet you need to be close to the city, then Sand River Guest House is for you.

The award-winning Skin Sense spa is just around the corner. Leaving the tranquility behind Sandton City, Sandton Convention Centre, Fourways and Monte Casino are all within a 15-minute drive.

The background of the image is a dark, atmospheric photograph of an outdoor dining area at night. Several wooden tables and chairs are arranged on a deck, surrounded by large trees. The scene is dimly lit, with some light reflecting off the surfaces of the tables and chairs. The overall mood is serene and quiet.
