OUR SCHOOL PROGRAMMES

PROGRAMME	DESCRIPTION
Educational Excursions	<p>Structured day and multi-day tours to heritage sites, nature reserves, science centres, and cultural landmarks — aligned to school subjects including History, Geography, Natural Sciences, and Life Orientation. Highlights include:</p> <ul style="list-style-type: none"> • Hartebeeshoek Astronomy Observatory — right here in Mogale City, this world-famous tracking station was the second after India to receive Neil Armstrong's voice as an estimated 650 million people watched him step onto the moon on 20 July 1969.

	<ul style="list-style-type: none"> • Sci-Bono Discovery Centre, Johannesburg — Africa's largest interactive science and technology centre, inspiring curiosity in Mathematics, Science, and Engineering for learners of all ages.
School Outreach Programme Tours	Community-focused tours that expose learners to social development projects, township life, small business initiatives, and NGO work — building empathy and civic awareness.
Group Leisure Tours	Organised fun! End-of-year trips, reward outings, and holiday excursions that are safe, engaging, and age-appropriate for all school levels.
Pre & Post Conference Tours	Ideal for school leadership events, teacher conferences, or inter-school summits — scenic and cultural tours to complement your event programme.
